The D. G. now states that no substitutes were entertained during the current year and therefore there is no necessity for any extra expenditure on this account.

As, however, the amount is required for the next official year, he requests that the Comptroller may be authorized to provide the amount in the next year's budget. It was sanctioned 18-7-1904

The Police Budget was submitted to the 2nd Councillor on 22-6-04

Here 30/6/1904. The expenditure on this account during 1903-4 was proposed by the D.G. of Police to be met ~~out~~ by reappropriation of Savings under Executive Rural Police. The Savings under the same head will very likely meet the expenditure during the next year 1904-5. Hence the necessity for any additional provision

in the Budget for 1904-5 is not apparent

to Executive Rural Police Temporary. The DG of Police proposes to meet the expenditure from the Savings under Executive Rural Police. Considerable savings are every year being made under Executive Rural Police Permanent (about Rs 30000). The full provision made under this head this year also is not therefore likely to be utilized as stated by the DG of Police. The sum of Rs 1920 may therefore be deducted as probable savings from Executive Rural Police Permanent and provided under Executive Rural Police Temporary to meet the charges incurred by the employment of substitutes.

Sir,

Reference:-

Your docket No: Fl 432/R.F. 216-03 dated 22nd July 1904 regarding the pay of the substitutes to be entertained in place of Police Officers undergoing training in the Head Quarter Police School.

I have the honor to state that the charge ~~of the~~ for substitutes can be conveniently met from the savings under " Executive rural Police " provided the required sum of ₹1920/- is transferred from this head to a separate head, which might conveniently be called " pay of substitutes for the officers undergoing training in the Police School", as otherwise it will be a matter of difficulty to find out the exact savings in the head of executive rural ---- Police every month. As the savings ~~from~~ under this head at the close of the year will be more than what is required for the purpose, I request that the Government may be moved to sanction this arrangement.

With

2. With reference to the provision of ₹1920/-, I beg to invite your attention to my letter No: 1144/ 76 dated 20th August 1903 and Government Proceedings No: ₹1.3092-3 dated 13th May 1904 --- which sanctioned the proposal contained in my letter.

3. It has occordingly been ordered that 1 Jamedar or Head Con--stable and 2 Duffedars should be sent from each of the Districts, including the French Rocks Sub -- Division and the Kolar Gold Fields Circle, to the school for training. This gives 10 Jamedars or Head -- Constables and 20 Duffedars. The Substitutes entertained in their stead will cost for 8 months ₹1920/- as shewn in the margin.

1. Ten Jamedars or Head Constables at ₹20/- (lowest pay of grade) per mensem for 8 months ₹1600/-

2. 20 Acting Duffedars.at ₹2/- per mensem for 8 months (acting allowance to 1st class Constables -) ₹ 320/-

₹1920/-

4. It may here be noted that the sanction of Government for the pay of substitutes (vide Government Proceedings No:₹1.3092-3 dated 13th May 1904) was received too late there was no expenditure under this head. The expenditure this year will be well within the sanctioned amount.

5. A statement showing the number and pay of the officers who have been admitted to the school for the term which opened on the 15th instant. is enclosed for information.

I have the honor to be,
